

Overview Fence Bases

Temporary Fence Bases for secure positioning of fence elements for temporary barriers

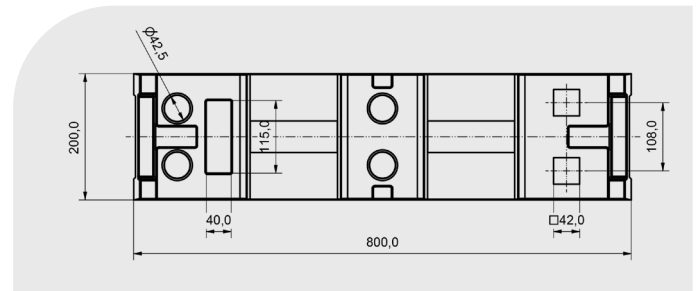

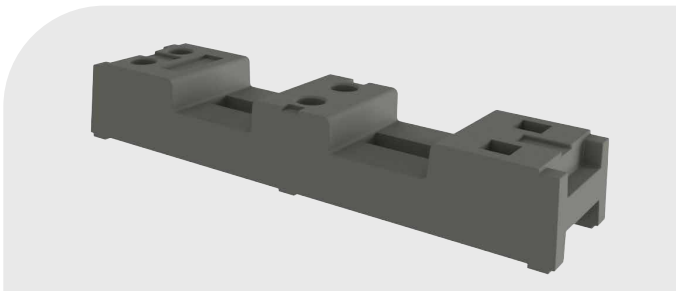

Features & Options

- Eco-friendly as made of 100% recycled plastics
- Very high breaking strength in contrast to concrete
- High stableness
- Low weight, easy and quick installation
- Improved handling thanks to handles
- Integrated stacking
- No additional load carrier is needed for delivery
- Individual diameter of round holes
- Optional customer-specific designs, individual marking, or custom-made color (varnishing)

Applications

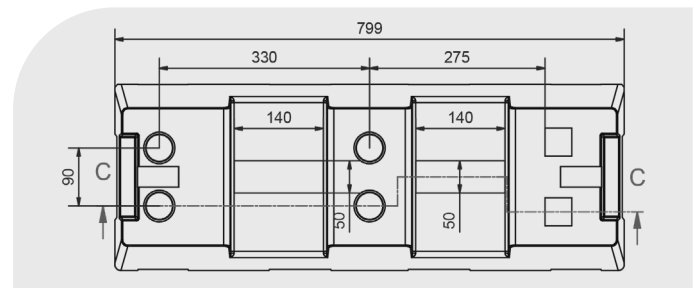

- Temporary barriers at
- Building sites
 - Parking spaces
 - Events
 - Exhibitions
 - Sports facilities

MZF 13.1

Technical Data	Dimensions	Round Holes	Square holes	Weight	Material	Color	Packaging unit	Logistics
MZF 13.1	800 x 200 x 125 mm	4; diameter 42 mm	2; edge length 42 mm	13,4 kg ± 0,75 kg	recycled mixed plastics	grey	36 units	1,764 units per truckload

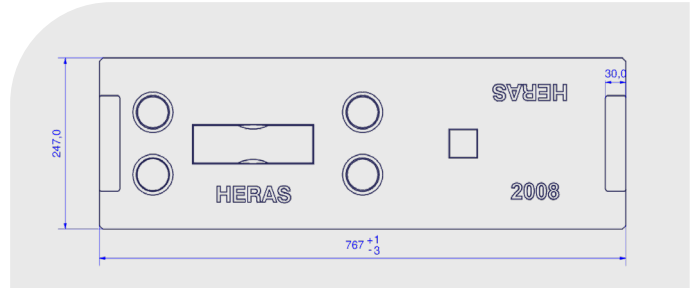

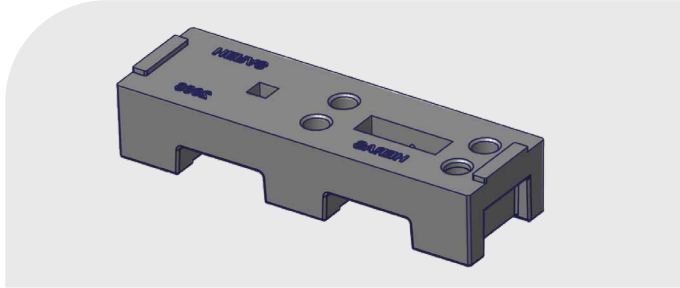

MZF 16

Technical Data	Dimensions	Round Holes	Square holes	Weight	Material	Color	Packaging unit	Logistics
MZF 16	800 x 290 x 125 mm	4; diameter 42 mm hole distance 90 mm	2; edge length 42 mm	16 kg +1 / -0 kg	recycled mixed plastics	grey	20 units	1,500 units per truckload

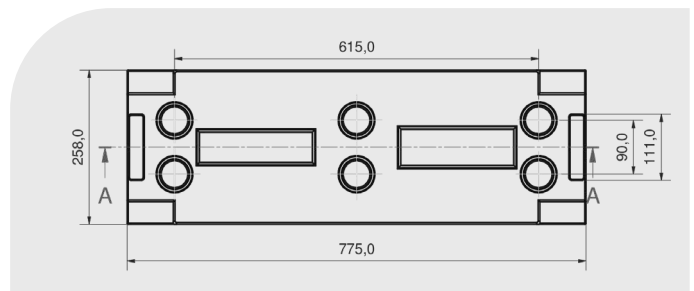

Overview Fense Bases

MZF 18

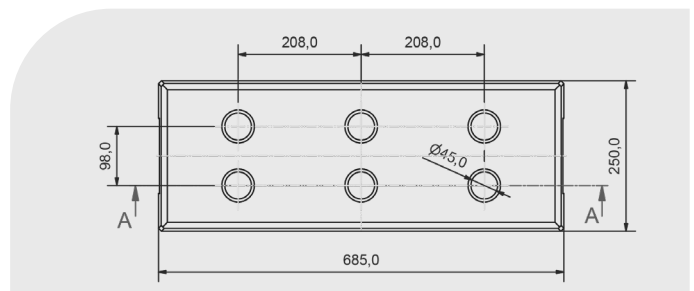

Technical Data	Dimensions	Round Holes	Square holes	Weight	Material	Color	Packaging unit	Logistics
MZF 18	767 x 247 x 150 mm	4; diameter 45 mm	1; edge length 40 mm	18,0 -0 / +1 kg	recycled mixed plastics	grey	24 units	1320 units per truckload

MZF 22

Technical Data	Dimensions	Round Holes	Weight	Material	Color	Packaging unit	Logistics
MZF 22	775 x 285 x 155 mm	6; diameter 45 mm hole distance 90 mm	22,5 kg +1/-0 kg	recycled mixed plastics	grey	20 units	1,020 units per truckload

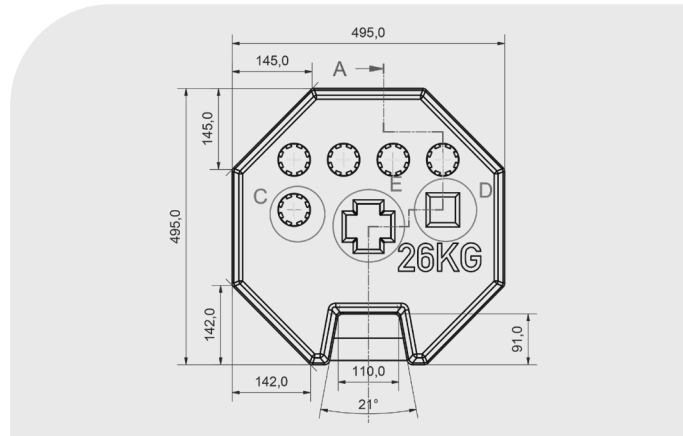

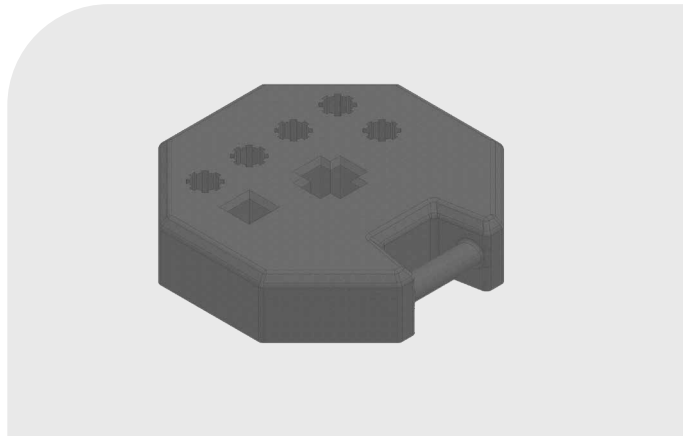

MZF 26

Technical Data	Dimensions	Round Holes	Weight	Material	Color	Packaging unit	Logistics
MZF 26	685 x 250 x 140 mm	6; diameter 45 mm hole distance 98 mm	26,5 kg ± 1,5 kg	PVC from recycled cables	black	40 pieces/ one-way pallet	920 units per truckload

Overview Fense Bases

MZF Paris

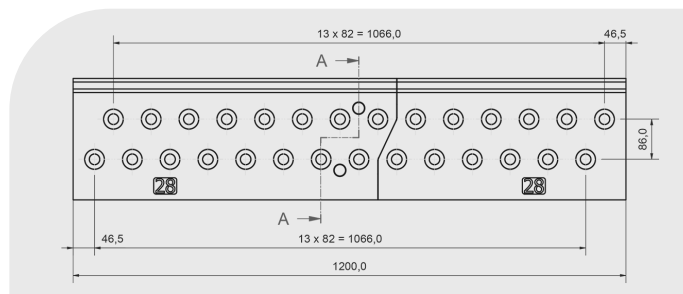

Technical Data	Dimensions	Round Holes	Square holes	Weight	Material	Color	Packaging unit	Logistics
MZF Paris	500 x 500 x 115 mm	5; diameter 45 mm	1; edge length 45 mm	26,0 kg +/- 1 kg	PVC from recycled cables	black	40 pieces/ one-way pallet	920 units per truckload

Transportframe

Storage and transportation of mobile fences

Up to 28 mobile fences can be easily stored and transported with the transport rack. The service life of your mobile fencing is extended by vertical transportation and storage.

Technical Data	Dimensions	Round Holes	Weight	Material	Color	Packaging unit	Logistics
Transportframe	1200 x 260 x 130 mm	28; diameter 45 mm	27,0 kg +/- 1 kg	recycled mixed plastics	grey	24 pieces/ one-way pallet	864 units per truckload
